ZANAΕ was established in 1930 in Thessaloniki, the food and taste capital of Greece. During the last 80 years, it has succeeded in developing into one of the largest food companies in South East Europe. It currently operates in the production of canned goods, processed tomato & ready to serve meals. Having linked its name to the tasteful Greek tradition and flavorful natural ingredients, ZANAΕ remains consistent and devoted to the superior quality of its wide product lines.

Firmly committed to upholding superior quality across its extensive product range, ZANAΕ adheres rigorously to European and National Guidelines, alongside contemporary international standards. Accredited with ISO 9001:2015, ISO 22000:2018, BRC and IFS certifications, the company guarantees unparalleled quality, underscored by meticulous attention and monitoring throughout all production stages. Equipped with cutting-edge facilities and a continuous investment in infrastructure, ZANAΕ ensures that every aspect of its operations reflects a commitment to excellence, deeply committed to ECO initiatives.

Driven by a team of highly trained technical experts and seasoned scientific professionals, ZANAΕ's product portfolio undergoes regular updates and enhancements, meticulously tailored to meet evolving customer preferences. Whether it's a cherished traditional recipe or an enticing new appetizer, each flavor crafted by ZANAΕ brings forth the essence of Greek cuisine, enriching tables worldwide.

Today, ZANAΕ proudly exports its products to over 45 countries, with more than half of its annual revenue stemming from international sales across Europe, the United States, Canada, Australia, the Middle East, and the Far East. Across continents, discerning consumers savor the epitome of Greek quality encapsulated in every ZANAΕ product, making it a preferred choice globally.
